### **Pick-Up Procedures**

Children will be grouped together by how they are picked up. Each child/group of children (whether it be siblings, friends, etc.) will be given a color and will sit at a designated area of the Sanctuary or Fellowship Hall for adults to locate them and sign the child or "group" out. PLEASE adults, make sure to sign out your child/group each Wednesday so that we can ensure the safety of all the children. This year students will be signed out in various areas to reduce large groups. Volunteers will help parents locate pick-up areas. If there are additional adults besides above that may pick-up your child, please list:
